Status Frigo
Rashladna rešenja sa iskustvom

Mi smo **Status Frigo,** firma iz Niša koja se više od dve decenije bavi proizvodnjom, izvođenjem i održavanjem rashladnih sistema. Naš rad temelji se na stručnosti, preciznosti i odgovornom pristupu svakom projektu, bez obzira na njegovu veličinu ili složenost. Sarađujemo sa proverenim brendovima i isporučujemo brzo, precizno i uz pravu tehničku podršku. Kod nas kupci ne dobijaju samo proizvod već i savet, iskustvo i pouzdanu informaciju.

Pored inženjerskih usluga, razvili smo i ozbiljan sektor trgovine; u našoj ponudi nalaze se rezervni delovi za rashladne sisteme, profesionalni alat i oprema, pažljivo birani po kvalitetu i pouzdanosti. Saradnja sa proverenim dobavljačima i proizvođačima omogućava nam da brzo i precizno isporučimo ono što vam treba – bilo da se radi o servisu, održavanju ili novom projektu.

Nismo najglasniji na tržištu – ali jesmo pouzdani. Kod nas se ne obećava nerealno, a svaka preporuka dolazi iz prakse. Status Frigo nije samo ime firme – to je status koji godinama gradimo u industriji, utemeljen na poverenju i rezultatima. Ono po čemu nas klijenti pamte nije reklama – već odnos.

Verujemo u transparentnu saradnju, jasnu komunikaciju i punu posvećenost poslu. Naši klijenti dolaze iz različitih sektora – prehrambene industrije, farmacije, ugostiteljstva i logistike – i svi imaju zajednički zahtev: **pouzdano rashladno rešenje.**
